- ◆ Click on the 'Login' icon, top right-hand corner
- ◆ Click on 'Create account' and complete the form
- ◆ Review and agree to the terms and conditions and select 'Sign up'
- ◆ Once registration is complete, click on the 'Login' icon to sign in with your username and password

Note: Supplying one phone number and one email address is mandatory. All other contact types are optional.

Once registered, you should receive an instant welcome email. However, this is not required to continue registering a horse.

Step 2 - How to register a horse

- ◆ Go to the 'Register' section at the top of the page
- ◆ Search for the horse you wish to register by using the filters and click on its birth year (before pressing 'Enter')
- ◆ If entering multiple horses for the same person/stud, choose the 'Breeder' option
- ◆ Select the scheme: All; Flat & Jump; Flat; or Jump

Note: The search result defaults to 'All' horses. This shows all eligible horses, whether or not they are registered for the scheme.

Eligible horses that have had a passport issued by Weatherbys following a General Stud Book Foal Registration will be displayed. If your foal does not appear on the list, please email info@greatbritishbonus.co.uk or call the GBB Helpdesk 01933 44 00 77.

Details of eligible horses will be displayed with their current Flat and Jump scheme status. Each circle represents a stage: a single green tick denotes that the horse is registered for Stage 1 = Foal registration; two yellow ticks denote that that the horse is registered for Stage 2 = Yearling registration; and three purple ticks denote that the horse is registered for Stage 3 = Fully qualified.

- ◆ To register your selected horse for a stage, click the applicable empty circle alongside the Jump or Flat option
- ◆ The horse details will be highlighted showing the ticked stage and added to your online basket

Note: Stages 2 and 3 only, check and confirm the owner details are correct in the pop-up window.

Step 3 - How to pay

- ◆ Go to the 'online basket' by clicking on the 'trolley' icon
- ◆ Check the list of items and remove any no longer required using 'x'
- ◆ Select the 'Checkout' button (If you are not logged in, you will be taken to the 'Login' page)
- ◆ If you are a TBA member, enter your membership name and number on the 'Basket Review' page to apply any TBA discounts. The TBA membership name and number must exactly match those found on the email/letter you received. Details will need to be added for each horse listed. If you have any queries about this part of the process, please call the TBA on 01638 661 321
- ◆ The 'Order summary' page will then be displayed showing the order total along with any discounts applied
- ◆ Select your payment method – either 'Card Payment' or 'Weatherbys Bank' – and enter the requested information through to payment completion

Note: Your TBA membership name may not correspond to the name used to register your foals in the General Stud Book
