

WEATHERBYS

FOAL DNA SAMPLING FORM INSTRUCTIONS (Aide-Memoire)

VETERINARY SURGEONS PLEASE NOTE:

All foals born in 1999 and onwards must be microchipped with a WEATHERBYS MICROCHIP as a Condition of Entry into the General Stud Book and Non-Thoroughbred Register. A barcode label MUST be attached to the form and the sample tube.

If this form is not enclosed, or not completed in full, with microchip barcode labels affixed to the form and sample tube, samples may not be accepted.

Because many markings need to be returned we have produced the following to help in the completion of the form overleaf.

DO

- ✓ Make sure the description is clearly typed, handwritten forms will not be accepted.
- ✓ **DESCRIBE** in the narrative all features drawn on the sketch and **DRAW** all features that you have described.
- ✓ Ensure that all features are **DRAWN FROM ALL PERSPECTIVES** on all of the diagrams.
- ✓ Ensure that the position of all features are **SUFFICIENTLY DESCRIBED** (i.e head whorls and markings in relation to the mid-line and eye level etc).
- ✓ **DESCRIBE CREST WHORLS ON BOTH SIDES OF THE NECK** (if one or both are not present please state. e.g. "There are no crest whorls on the left side" since the rarity of this event qualifies as an identifying feature).
- ✓ Ensure that you record **ALL FEATURES**. Hatch white markings in RED, mark whorls with an "X", feathering with a "_____", prophets thumb marks with a "▷" and scars with "→". Include any permanent identifying congenital defects such as parrot mouth etc.
- ✓ Scan the foal to ensure a microchip is not already present and scan the Weatherbys microchip as functioning before and after implanting it in the mid left neck (nuchal ligament). Attach the barcode label to the other side of this document as shown and the sample tube.
- ✓ Indicate the location of the microchip with (M)→
- ✓ **SEND THESE MARKINGS WITH THE BLOODSAMPLE TO THE DNA FULFILMENT TEAM AT WEATHERBYS USING THE ENCLOSED RETURN ENVELOPE.**

DON'T

- X **DON'T ABBREVIATE OR USE DITTO MARKS (")** - use "right hand side" not R.H.S.
- X **DON'T USE TECHNICAL TERMS NOT EASILY UNDERSTOOD BY A LAYPERSON** (e.g "caudal"). Owners need to be able to identify this horse from your description and, if it is exported, English may not be the first language.
- X **DON'T USE TERMS SUCH AS STOCKING OR SOCK** - describe the white in relation to the fetlock, pastern, cannon bone or hock etc.
- X **DON'T FORGET TO COMPLETE THE DECLARATION, SIGNING AND DATING IT AND GIVING YOUR NAME AND PRACTICE ADDRESS.**

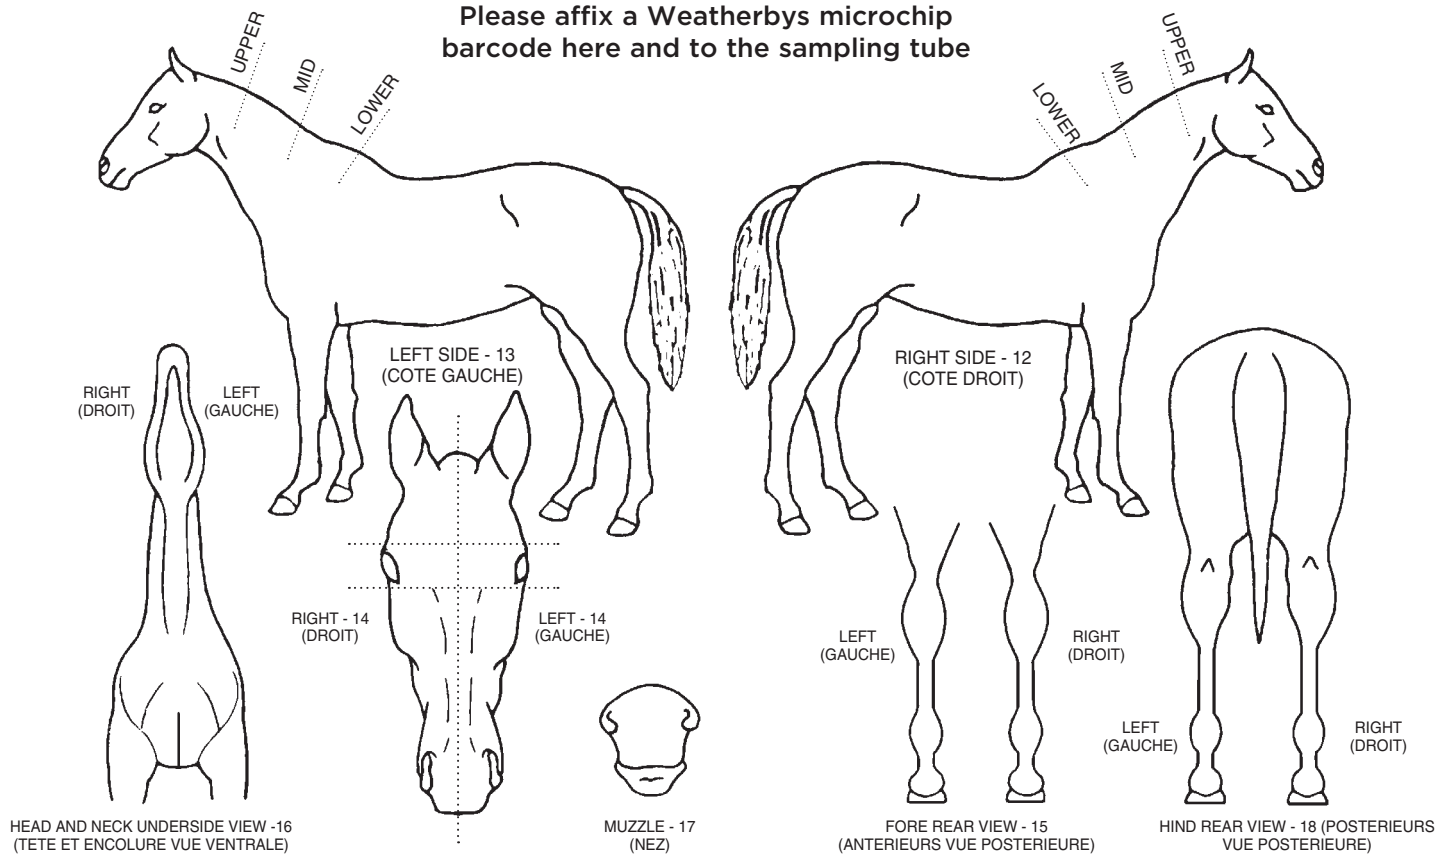

Please note: If the horse can not be adequately identified from your markings in the future it may be prevented from racing or being sold at public auction.

WEATHERBYS GSB LTD

Sanders Road Wellingborough Northamptonshire NN8 4BX

Telephone: + 44 (0)1933 440077 Fax: 01933 304758 Email: studbook@weatherbys.co.uk www.weatherbys.co.uk

Please affix a Weatherbys microchip barcode here and to the sampling tube

NAME AND ADDRESS OF VETERINARY SURGEON (IN BLOCK CAPITALS)

I certify that I have read and understood the instructions overleaf. I have been given the pedigree details by the owner/agent who has assured me that they have confirmed the identity of the dam against her passport. I have also

- *a) bloodsampled the foal,
- *b) inserted a Weatherbys microchip into the foal,
- *c) scanned and read a Weatherby microchip previously inserted

Date of examination

/ /

Signature of Veterinary Surgeon

*Please delete as appropriate
