### SECTION D - DEFRA DECLARATION

Under the Equine Passport Regulation it is a requirement to be able to record a declaration as to whether the horse is destined for slaughter for human consumption. Please note that if the previous owner has declared that this horse is not for human consumption, this cannot be changed. (See the Medicinal Treatment pages already in passports for horses foaled since the year 2000). If not already included, these pages will be added into the passport at registration and must automatically be stamped 'not for human consumption' under the Equine Passport Regulation.

### SECTION F - DECLARATION

At the time of completing this form, I have personally compared the markings of the broodmare against the markings in her passport and have no reason to doubt that I am applying for registration of the correct broodmare as described in Section A. I hereby certify that, from my own knowledge and full consideration of all circumstances, the details contained in this application form are accurate in all respects. I understand that the ownership record is for Weatherbys' administrative purposes only and does not infer legal title and that my name and address will be entered in the passport at registration. I agree to abide by the Conditions of Entry to the General Stud Book and Non-Thoroughbred Register.
