

Please return the mare's passport with this form

All mares should have a valid DNA type held on our records. If your mare requires DNA sampling, the appropriate sampling pack will be sent on receipt of this application form and fee. Markings and DNA samples should be taken by a qualified Veterinary Surgeon who is not the owner of, or the agent for the mare. Weatherbys reserve the right to retain a portion of each sample for future reference in parentage verification and identify checks and to ensure the integrity of the General Stud Book.

SECTION D – FOREIGN MARES AND MARES COMING IN FROM ABROAD

- A mare will only need to be registered as a broodmare with Weatherbys if she is to foal in Great Britain or Ireland and this foal is to be subsequently registered in the General Stud Book or Non Thoroughbred Register.
- If a mare is covered in Great Britain or Ireland but the foal is to be born abroad, the mare will not need to become a registered broodmare with Weatherbys.
- If a mare is to foal abroad, the mare should be registered as a broodmare with the Stud Book Authority of the country in which the foal is born.
- All mares that leave Great Britain or Ireland to travel abroad should have their passports endorsed accordingly, whether the mare foals in Great Britain, Ireland, abroad or not at all.

SECTION F – DECLARATION

At the time of completing this form, I have personally compared the markings of the broodmare against the markings in her passport and have no reason to doubt that I am applying for registration of the correct broodmare as described in Section A. I hereby certify that, from my own knowledge and full consideration of all circumstances, the details contained in this application form are accurate in all respects. I understand that the ownership record is for Weatherbys' administrative purposes only and does not infer legal title and that my name and address will be entered in the passport at registration. I agree to abide by the Conditions of Entry to the General Stud Book and Non-Thoroughbred Register.
